“Skips in the Record”

By Rose Weaver

Skips in the Record focuses on three generations of a southern black American family as they peel away the layers of their common history to reveal memories that may either bring them together or tear them apart as they are faced with the prospect of placing the family's aging grandmother in a nursing home. Join us for this memorable performance full of laughing, singing and drama.

ANN WELDON
“Grandmama Lue”

JUANITA JENNINGS
“Anna”

TAMMY TOWNSEND
“Ruby”

Saturday, November 10, 2007

1 p.m.
